

- Create an activity with your school groups, church groups, or clubs, such as car washes, bake sales, or other creative ideas. All of the group, or some of you then head to the Giving Machines.
- Plan an activity near or in Union Station, such as ice skating, and then head to the Giving Machines.
- Bring your friends or youth group to Union Station and do our fun, educational Scavenger Hunt. When you complete it and donate at the Giving Machines, Union Station will provide a discount at Science City.
- Participate in the Family Home Evening lesson about "Giving" and make a Giving Machines Jar to save for your trip to the Giving Machines.
- Check JustServe.org for projects the current Giving Machines charities may have that you can participate in!
- Do extra chores at home and come to the Giving Machines to pick out your gift to the charity/charities of your choice.
- Enthusiastically discuss the Giving Machines with your family, friends, and neighbors!
- Play the Bingo Game provided online with the Giving Machines' theme, bring your completed card to the Machines and receive a small prize!
